## **Employment History**

*April 2005 – Present*                      Freelance                      Lighting Cameraman

*May 2001 – April 2005*                      Transmission TX Ltd Camera Operator / Assistant  
Shepperton Studios  
Middlesex

I am an experienced Lighting cameraman and Camera Operator. I have my own camera and lighting kit comprising of a Canon C300, Canon 5D Mark II (Magic Lantern installed), a basic lighting kit including Dedo Lights, 58” Slider and a small sound kit for talking heads including two radio mic kits.

I live in Glasgow but work regularly in both London and also Manchester. Through my time as a staff member of Transmission TX, I gained an unrivalled amount of knowledge and experience in all fields of television.

One of my specialities is being able to pull the best of any location or studio. Shooting through foreground and trying to achieve the maximum amount of depth out of every shot. Trying to always enhance the script with eye catching images.
